The Last Time

The Script

Lyrics:

why's it so hard to look me in the eye

pla-ying with that cross that's on your chain

I know you

on-ly e - ver bite your lip

when it's some-thing you're a - fraid to say

is this the last time that I lay my eyes u - pon you you is this the last

time that I e - ver watch you leave this is the last thing I would e - ver have done

to you this is the last thing that I thought you'd do to me we

said that it would last but how come it's the last time I'm

try-na hold your hand but fee-ling like my hand's tied you

said we'd be for - e - ver now you ne-ver e-ver be mine oh you

said that it would last but how come it's the last time you prac-tised

this ma – ny times be-fore but I guess you get it right a – way

lea-ving that ring I gave you in the drawer but you ta-king

e – vry sin-gle part of me is this the last time that I lay my eyes u –

pon you is this the last time that I e – vet watch you leave this is the last

thing I would e - ver have done to you this is the last

thing that I thought you'd do to me we said that it would last but

how come it's the last time I'm

try - na hold you hand but fee - ling like my hand's tied

oh you said we'd be for - e - ver but you ne-ver e-ver be mine

oh   you | said that it would last   but | how come it's the last   time

oh   I think of the | first   kiss   that led to the

first   night   whoa whoa | whoa | I think of the

first   tiff   that led to the | first fight   whoa | whoa   you

said that it would last   but | how come it's the last   time | I'm

try – na hold your hand but fee – ling like my hand's tied

mmm we al – ways said we'd be for – e – ver now you ne – ver be mine

oh we said that it would last but how come it's the last time

I think of the first kiss that led to the first night whoa

whoa I think of the first tiff that led to the first fight whoa

whoa you said that it would last but how come it's the last time
